

Alexander Wins Annual Walleye Tournament

The Salt City Bassmasters held their annual walleye tournament Sunday May 16, 2010, proving again we can't catch them goggle-eyes. Still, the event is a good test run for all involved to getting themselves and their equipment tournament-ready. Looks like Team Krause has a little work to do before we get into June.

In First Place with a limit of three fish going 6 lbs. 12 oz. was Ralph Alexander. Ralph caught two of his limit on a hair jig and the other on a Shad Rap. There is a no-cull law in place for walleye, which allowed Ralph to catch up on a little sleep after filling out his limit at lunchtime.

In Second Place was Brandon Schwoeppe of Liverpool. Brandon weighed in only a single fish but it was an Oneida bruiser going 4 lbs. 5 ounces. Brandon's fish was good also for lunker and taken on a Shad Rap . Brandon woke up his partner from a deep sleep to net the beast. Luckily, it somehow ended up in the boat.

In Third Place was Charles Pritchard. Charles weighed in two fish going 3 lbs. 10 oz. His fish were fooled by a gulp minnow on a jig head.
